

2012 MICHIGAN FIBER FESTIVAL SHOW

We are excited to announce the 2012 Sanctioned Pygora Goat and Fleece shows hosted at Michigan Fiber Festival, Allegan, Michigan. The show date is **Saturday August 18th 2012**. Our goat show judge will be George DeGeer. The fleece judge will be Lisa Roskopf. The 2011 show was a big success with all shows meeting sanction numbers. The 2012 show will again be held for does, wethers and fleeces.

Show bills and entry forms can be found on the festival website <http://www.michiganfiberfestival.info>. Arrangements for mail in fleeces must be made in advance with Allison Sluis (Allison@greatlakespygora.com).

In order for us to meet the goat show sanction for the doe classes we need at least 4 different owners. Sanction rules also require 10 does with at least 5 Senior animals in 2 age groups. The sanctioned wether show requires 4 owners with at least 8 goats, and 4 in the Senior division with 2 age groups. A buck show will be considered in the future if enough interest is expressed.

The fleece show sanction requires at least 4 owners with a minimum of 10 entries. Of those entries 6 must be in the Senior division with at least two fleece types represented.

To read all the pygora show rules and sanction rules go to the Pygora Breeders Association website at http://pba-pygora.org/acrobat/Official_Show_Rules.pdf.

Save your fleeces, mark your calendars and come join us!

We had a wonderful time at the 2011 show. The fairgrounds have beautiful mature trees and scenic camping sites. Hope to see you there! Feel free to contact show chair Allison Sluis (Allison@greatlakespygora.com) with any questions.
